Ten Second Book Review

I was initially reluctant to pick up *Between Heaven and the Real World*, the autobiography by singer-songwriter Steven Curtis Chapman. Was it another shallow account of a Christian "celebrity"? Thankfully not. Chapman tells his story with candour, grace and spiritual maturity. He chronicles marital struggles - the flip-side of unimagined success (5 Grammy awards, 58 Dove awards, 20+ albums), the divorce of his parents, his wife's bouts of depression, adoption of 3 Chinese infants, and the tragic death of his daughter resulting from an accident at the family home. Real life sustained by actionable faith.

The Gospel

The Gospel is the proclamation of the good news of the Person and Work of Christ, and the eternal benefit to me through repentance and faith.

At Bethel we want to be a church characterized by DEUS:

Diet of God's Word
Exercising our spiritual gifts to serve
Unity maintained vigorously
Sanctification in community
