MISSIONARY MINUTE

A note from Jared & Leah Mortley: We are well into our 4th year of ministry in Toronto with IVCF. That means that many of the students who we started working with are graduating this year, and it is encouraging to see them grow in leadership with their club and exciting to see them make big decisions for their future. We hope that all of our students will continue to follow Jesus, and that their time in high school teaches them how to study God's word, share their faith and be led by the Holy Spirit. Coming up, we're taking our church youth group to Ontario Pioneer Camp for a winter retreat and the high school ministry is running an urban missions trip in Toronto for students to encounter God's heart for justice and love for the city. Jared works with Humber College Collegiate Institute and Western Technical Institute. Leah is on maternity leave. Baby Iris is doing her job perfectly - growing, learning and bringing joy and hope to her new friends. *-Ladies Missionary Group-*
