Ten Second Book Review

Of all the Bible study tools in my library, The Bible Knowledge Commentary (two volume: Old Testament and New Testament) is the one that we have used most over the past 20 years. Each Bible book is introduced (author, occasion of writing, date, recipients) with detailed - but readable - commentary on a verse-by-verse review. Contains explanatory charts, graphs and maps. An excellent study tool - and in our Bethel library.

Bethel Vision Statement

From Him the whole body, joined and held together by every supporting ligament, grows and builds itself up in love, as each part does its work. *Ephesians 4:16*

MISSIONARY MINUTE

Don Brooks, missionary to Zambia, is helping out at Everyday Publications Inc. In Port Colborne in the New Year. Books from Everyday Publications have been used over the years in Zambia. Don and his wife, Elva, have spent many years in Kabompo involved in teaching religious education in high schools. Elva went home to be with the Lord on May 11, 2016. This coming May 25th, 2017, Don will be heading to Zambia with a son-in-law and two grandsons. They are staying for 6 weeks, but Don will be staying longer for camps and conferences held in Samufunda. He asks for prayer that they will be a blessing there and that the Lord would continue to guide him as to his future. -*Ladies Missionary Group*-
