Ten Second Book Review

Learning to Love the Psalms, by W.Robert Godfrey is a look at the Old Testament book of Hebrew poems, explaining why the people of God have been attracted to the Psalms in every era. The book examines the structure of the Psalter, recurring themes, poetic forms, difficulties in interpretation and understanding, and provides specific exposition on 35 psalms (Reformation Trust).

The Gospel

The Gospel is the proclamation of the good news of the Person and Work of Christ, and the eternal benefit to me through repentance and faith. At Bethel we want to be a church characterized by DEUS:

Diet of God's Word
Exercising our spiritual gifts to serve
Unity maintained vigorously
Sanctification in community

Announcements

Retirees Luncheon Thursday, November 30th at noon at the Chapel. Join us for a hot lunch and a time of fellowship.

Samaritan's Purse International reaches children through their annual *Operation Christmas Child* program that collects gift-filled shoeboxes from donors and distributes them to kids in the developing world. The program has brought joy-and a powerful message of hope to over 135 million children. If you are interested in packing a shoebox, they are available in the Fellowship Hall along with the brochures that you will need. The deadline to have the boxes in is November 12, 2017.

Teaching Weekend

Spiritual Gifts are not exactly talents, nor do they result from training or education. But the Lord gives at least one to every Christ-follower to serve Him, and His church. What precisely are they? And, more practically, what is yours? Come hear **Peter Kerr** address these questions on our teaching weekend: Saturday, Nov.11 (7 pm) and Sunday Nov.12, at FBH and ABC.
