## Ten Second Book Review

*The Truth War: Fighting for Certainty in an Age of Deception* by John MacArthur is a challenge to Christ-followers to be vigilant in an era where some assert that truth can't be known, or worse, deny that truth exists. Beginning with a review of troubling cultural trends – including within the evangelical church – MacArthur uses the short NT book of Jude to demonstrate that the thinking and motivation prevalent today, has its roots in the apostolic church of the 1st century.

## Missionary Minute

Hello Bethel!

I would like to thank you for your support in hosting our NCCF winter formal! We are looking forward to a great meal and a great night.

This year we have had many great events including worship nights, coffee houses, games nights, Bible studies, prayer nights and more. We had a great partnership with Bethel's C&C to kick off the year as well.

In 2018 we hope to continue to foster a community where people feel welcome and grow closer to God. We have been blessed in regard to finances, and numbers. We have a membership of around 75 and average 40-50 at our main events on Fridays. We ask that you pray for us. Pray for wisdom, strength, and perseverance as we come to the end of the semester, and continue to strive towards our God! -*Dakota Narciso, NCCF*
