Ten Second Book Review

The Prayer of our Lord is a short, but challenging book by Dr. R.C. Sproul. Not only is it an excellent phrase-by-phrase review of the Lord's Prayer, but it contains a Q&A segment which includes answers to such questions as, does prayer change God's mind? Or, if God is sovereign, why pray? -Randy Bushey

Missionary Minute

"Mercy Ship is a non-governmental floating hospital made up with a team of nurses, doctors, surgeons, and other crew members from all over the world, donating their time to help the forgotten poor. As a floating hospital, Mercy Ships can sail directly to some of the world's poorest people. The ship is a hospital, with five state-of-the-art operating theatres and all the facilities it needs to carry out life-changing treatments. It provides a safe, clean, controlled environment, and is ideally suited for both patients and crew.

I will be joining Mercy Ship going to Cameroon from March 25-April 21, 2018 as an admission nurse. I will oversee the admission process for those patients requiring an inpatient stay, making sure records and testing are complete, alerting staff to potential health issues, and orienting the patient and family member to the hospital.

God has greatly provided all the funds required for my stay! Pray for safety as I travel, pray for my heart and mind to be prepared to encounter the many people I will come in contact with, and pray that God would be glorified through my work."-Lyne Beaudry
